FINAL STATEMENT OF VOTES
SCHOOL SALES TAX SPECIAL ELECTION
June 15, 1993

This is the Final Statement of Votes for the June 15, 1993 Special Election in San Francisco.

For each precinct, there are two lines of information. The first line with "0" registered voters is the absentee total. The second line shows the total number of voters registered in the precinct and the numbers of votes cast at the polling place. The turnout for each precinct, as a number and as a percentage, is only for the votes cast at the polling place, and does not include the absentee votes. The total turnout for each precinct can be obtained by adding the absentee and precinct turnouts.

There are two pages of summary information at the end of the precinct report. The neighborhood and district totals and percentages include both the absentee and precinct votes.

All ballots were sorted into the appropriate precinct before counting.

This information is also available on disk.

If you have any questions, please call Greg Ridenour at (415) 554 - 4382.

Registrar of Voters

November 10, 1993

PREFACE

Following is the Final Statement of Votes cast in the November 2, 1993 Consolidated General Election in San Francisco.

There are two lines for each precinct. The first line is the number of absentee votes and the second line is the number of polling place votes. In order to determine the total turnout for a precinct, you must add the absentee and precinct votes together. Then you can compare that number votes cast with the number of registered voters in the precinct to determine the percentage turnout for the precinct.

There are three mail-ballot precincts in this election: 3142, 3199, and 3899. These precincts have no polling place, and all voters received ballots in the mail. There are also two lines summarizing the unsorted type 1 ballots (12th Assembly District) and unsorted type 2 ballots (13th Assembly District). These are ballots which were counted, but not sorted into precincts before counting. These primarily represent absentee ballots which were turned in at polling places on election day and counted after the precinct ballots, and provisional ballots which were counted after election day.

Included in this document is a Summary Report, which follows the Statement of Votes. Also included is a list of neighborhoods and districts by precinct for this election.

For additional information regarding election results, and for copies of this report on diskette, please contact Gregory Ridenour, Administrative Manager, at (415) 554-4382.

Thank you for your interest in our election. We hope that this document is helpful to you. If you have any suggestions for improving our format for future elections, please let us know.
